

POD ROLL GLASS - Meeting POD on wheels

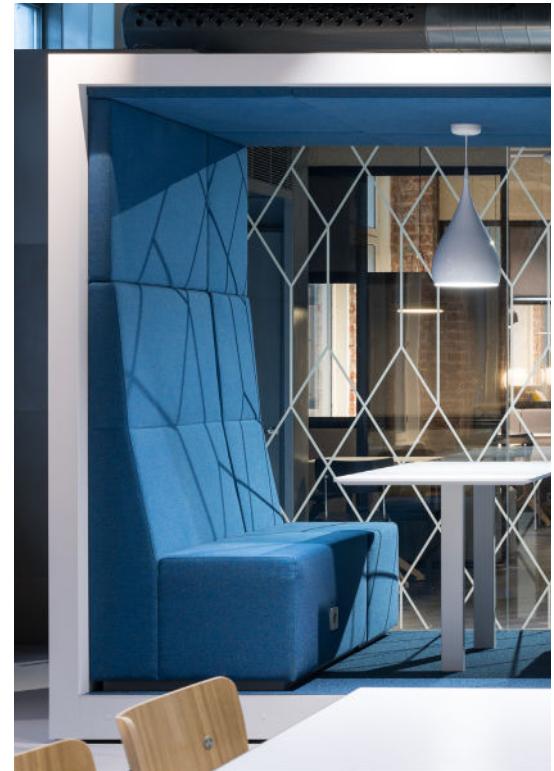

POD ROLL GLASS is a new addition to INTO the Nordic Silence product line. POD ROLL GLASS is a tad more private version of POD ROLL. Its glass door provides silence and privacy when needed. All POD ROLLS have wheels underneath so they can be easily moved and turned around within the premises.

POD ROLL GLASS is an ideal private working station that suits well for offices, restaurants, and lobby areas.

NORDEA BANK'S RESTAURANT WAS TURNED INTO A SPECTACULAR, LIVELY PREMISE WITH INTO FURNITURE

In Nordea's staff restaurant POD ROLL furniture offers a room-like place for private meetings and to just have a cup of coffee with a colleagues.
